A public hearing to obtain input for the Action Plans will be held as follows:

DuPage County estimates it will receive approximately \$3.5 million in funding from the Community Development Block Grant Program, \$288 thousand from the Emergency Solutions Grant Program, and \$1.3 million from the HOME Investment Partnerships Act Program for a total of approximately \$5.09 million in Federal funding for FY2017. The overall goal of these three programs is to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities principally for low and moderate income persons. The DuPage County Consortium covers all of DuPage County and portions of Naperville that are outside of DuPage County and excludes the City of Aurora. It is estimated that 100% of DuPage County funds received from these three programs, and covered by the Consolidated Plan, will benefit persons of low and moderate income.

The draft 2017 Action Plan and 2014 amendment will be available on February 15, 2017, on the DuPage County Community Development Commission website,
