**AN ORDINANCE ADOPTING PREVAILING WAGE RATES TO BE PAID FOR LABORERS,  
MECHANICS AND OTHER WORKERS PREFORMING CONSTRUCTION OF PUBLIC  
WORKS FOR NAPERVILLE TOWNSHIP, DUPAGE COUNTY, ILLINOIS**

---

**WHEREAS**, the State of Illinois (the "State") has enacted "An Act regulating wages of laborers, mechanics and other workmen employed in any public works by the State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended (Illinois Compiled Statutes, 820 ILCS 130/1, *et.seq.*) (the "Prevailing Wage Act" or the "Act"); and

**WHEREAS**, it is the policy of the State that a wage of no less than the general prevailing hourly rate, as paid for work of a similar character in the locality in which the work is performed, shall be paid to all laborers, mechanics and other workers employed by or on behalf of any and all public bodies engaged in public works; and

**WHEREAS**, the aforesaid Act requires that, during the Month of June of each calendar year, the Board of Trustees of Naperville Township (the "Township") investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workmen in the locality of said Naperville Township employed in performing construction of public works, for said Township; and

**WHEREAS**, Naperville Township has ascertained and examined the prevailing wage classifications and rates determined by the Department of Labor for DuPage County for September 1, 2017, which is the last available date wage rates were published by the Department of Labor of the State of Illinois.

**NOW THEREFORE, BE IT ORDAINED BY** the Supervisor and Board of Trustees, of Naperville Township, DuPage County, Illinois, as follows:

**SECTION 1:** That the above recitals and legislative findings are found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety

**SECTION 2:** To the extent and as required by "An Act regulating wages of laborers, mechanics and other workmen employed in any public works by State, county, city or any public body or any political subdivision or by any one under contract for public works," approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics and other workmen engaged in construction of public works coming under the jurisdiction of Naperville Township is hereby ascertained to be the same as the prevailing rate of wages for construction work in the DuPage County area as determined by the Department of Labor of the State of Illinois as of the last available date wage rates were published by the Department of Labor, a copy of that determination being attached hereto and incorporated herein as Exhibit A.

**SECTION 3:** As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's current determination of prevailing rates, as of the date of this Ordinance, and apply to any and all public works construction undertaken by the Township. The definition of any terms appearing in this Ordinance which are also used in aforesaid Act shall be the same as in said Act.

**SECTION 4:** Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works of the Township to the extent required by the aforesaid Act.

**SECTION 5:** The Township Clerk shall publicly post, and keep available for inspection by any interested party in the main office of the Township, this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

**SECTION 6:** The Township Clerk shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employers who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

**Section 7.** The prevailing rate of wages as determined herein, or as subsequently revised, shall be included in every contract for public works, and all ordinances, resolutions, calls for bids and bid specifications relating to any public work shall state or provide that any person performing any public works on behalf of Naperville Township shall be required to pay the prevailing rate of wages to all laborers, mechanics and other workers employed for such public works. All contractors' bonds provided by any contractor on any public works for Naperville Township shall provide a guarantee that the contractor will faithfully perform his obligations to pay the prevailing rate of wages as provided by the contractor for such projects and in accordance with the Act.

**SECTION 8:** The Township Clerk shall promptly file a certified copy of this Ordinance with the Illinois Department of Labor not later than July 15, 2018 either by regular U.S. mail or by electronic submission..

**SECTION 9:** The Township Clerk shall cause to be published in a newspaper of general circulation within the area a notice that this Ordinance has been adopted and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

**Section 10.** If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any of the other provisions of this Ordinance.

**Section 11.** All ordinances in conflict herewith are hereby repealed to the extent of such conflict.

**Section 12.** This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.
