The letter you received dated November 16, 2022, from MC Squared referring to the Naperville Township Electric Municipal Aggregation Program is legitimate and not a scam. The Township has entered into a 23-month agreement with MC Squared replacing Dynegy. The new agreement takes effect January 2023.

THERE IS NOTHING YOU NEED TO DO IN ORDER TO PARTICIPATE AS MC Squared (MC2) WILL AUTOMATICALLY PROCESS YOUR ENROLLMENT!**
